

IRP 230D

Compact size Ideal for counter space

Simple and elegant, with high optical mirror and sticks appearance
Internal important parts are with metal material
230 mm/s high printing speed, rapidly change supplies
With auto cutter, paper out alarm
Parallel, serial, USB, Ethernet Optional multiple interfaces
(supports two in one, or three in one)
Low noise, support high speed graphics and hardware fonts printing

Print Head

Printing Method: Thermal
Paper Width : 80mm
Dots : 576 dots
Effective Print Width : 78mm
Print Life : 150km
Print Speed : Max. 230mm/s

Cutter

Paper Thickness supported:
0.048 0.08mm
Cutter Life : >1.5 Million times

Interface

Ethernet :
Port: RJ45
Speed: 10/100Mbps
USB Port
DK Port (Cash Box)

Character Set

Font Library:
Unicode character set
International
24x24dots
Numbering: ASCII
12x24dots
User Defined Character Set: Supported

Indicator Lights

Power Indicator: Blue
User Reminder Indicator: Orange
Error indicator: Orange

Supported OS

Windows 11/10/8/7
Android
ios
Linux

Environment

Operating Environment:
0C50C 30% ~ 85%RH
Storage Environment:
-20C~60C≤93%RH (40C)

Alarm

Power: 3W
Volume : ≥50dB
Beep: 1~3

Power Input

Working Voltage:
DC 24V/2.5A
Port: DIN 3P

USB

LAN
